Volunteer Assoc. 17. A Healthy Home Our Community: We are a family oriented community that is eager to help out parents and children Our Kids: Our kids are some of the most well behaved kids you will ever meet! We try to provide a safe, fun, and healthy atmosphere where children are kids. They learn to be self-entertaining and self-sufficient Our Care: We make our goal to get to know your child! We want your child to not only develop and enjoy their day at our center but we make an effort to give them the tools to be the best people they can be. We have a 1-8 month class to help with development and growth Contact us to find out
