Just Die Already [March-2022]

Adrift in space. Caught in the middle of a violent conflict on the fringe of the galaxy. Your ability to survive will depend on your piloting skills and combat savvy as a mercenary space fighter. But as you explore the vastly detailed world of Tachyon: The Fringe, you will often find that the most

powerful weapon on your ship is in your head. You and your fellow mercenaries are hired by the strongest fleet in the galaxy. Why Play Tachyon: Enjoy a challenging Space Combat experience. Fight fierce fleet battles as you collect Tachyon Units and battle against large fleet bosses. Explore Tachyon, a large and richly detailed, solar system filled with all kinds of beautiful planets, relics of the past, and massive space stations to fight in. You and your opponent will fight for the strategic advantage as you try to destroy all of the ships in the enemy's fleet. Space Combat Challenges: Using a 2.5D Space Combat engine, Tachyon combines the depth of space combat with a visual style reminiscent of the best 2D games. Unlike other 3D space combat games, Tachyon fully immerse you into the fight as you pilot your ship in a frantic, intergalactic dogfight with your opponents. Realistic Physics: Tachyon's exclusive physics engine allows you to fully immerse yourself in

space combat. Use the gravitational pull of planets, space stations, and other planets to change the trajectory of the fight. Fly your ship under asteroids, fly through a black hole, or ram through the hull of a massive space station. Use the many types of ships at your disposal, including huge ships and fighters, to your advantage as you fight for victory! Merge Multiplayer and Single Player: Tachyon lets you bring you friends together in your 2.5D Combat space. Enjoy the long-distance relationship with friends as well as the full experience of playing against them on the same screen. Take Down Enemy Flagships: Big enemy fleets are like a daunting beast. Getting the drop on a large enemy fleet can be one of the most satisfying experiences in space combat. Regional Stats & Leaderboards: Tachyon's regional stats system allows you to see where your friends rank globally. You and your friends can see the global rankings in the game, and you can use those

rankings to encourage each other in multiplayer gameplay! Unlike Free to Play Space Combat games that tend to be a candy- c9d1549cdd

> **/"" The digital artbook. An artbook for some monochromatic digital art! You won't see it in the final form (I can't as the final print version doesn't have the same dimensions) but it's a work that over the years has significantly improved. It is a true labour of love! It is the combined work of Nina Cicarelli/Idstudio/MoonArc and Jason Thompson/Magic Moon Studios. If you want**

to really appreciate the technical level of Max McCall's art you have to see it!Q: SharePoint site as login-friendly Business Portal I'm looking for ways of providing links that point to a SP site but have the slick modern UI of the Business Pannels instead of the classic portals page. Like we have SharePoint Business Pannels but the content is SharePoint sites. Has anyone suggested or worked on a project in this direction? A: I believe that this is a bit of a contradiction in the goal of these sites, as you say. If you were looking to make a "business portal" which is a fresh redesign of the classic OOB SharePoint portal, then these look very promising. Which end-user sees what? I believe that this one seems to fit with your goals, sharepointhub.com - This is an open source customization that gives you a portal-like UI but backed by a SharePoint site and then I believe it displays a SP webparts site in the left pane (similar to the diagram). BatBoy is an indie platformer about saving the world, one bean at a time. Discover the secrets and collect all of the beans! Brand new to the 2D platform genre? No problem! Like us on Facebook, follow us on Twitter, or visit our website for more information! On the surface, the story of BatBoy is about a young boy's fight against crime and evil, but it's really about his childhood, his family, and his friends. Gameplay-wise, the game is an intense platformer with a couple of twists. The controls are really responsive, while the combat is top-notch. In short, BatBoy is a new type of game that will throw you headfirst into a mix of platforming, action, and puzzle gameplay. ------------------------- BATBOY ------------------------- Features: ~ On-screen buttons allow for quick control over the

character's movements and there are no unused keys on the controller. ~ Short between-level checkpoints and quick loading. ~ Easy-to-follow gameplay and story. ~ Retina display graphics. GAMEPLAY BatBoy plays like a straight-up 2D platformer, where the player controls BatBoy's movements. At the end of each level, you'll either see BatBoy die and lose, or if you manage to collect all of the bright, colorful beans, you'll be on your way to the next world. The controls are basic. Move forward with one analog stick and turn with another analog stick. Press left or right on the stick and BatBoy will follow it, bumping into an obstacle if he goes too far. Pressing Y reloads BatBoy's health. As you progress through the game, you'll unlock new characters that have their own moves and ways of completing

each level. BatBoy is the main character of the game, but he'll receive a number of upgrades and character-specific perks after every two worlds (level). As you play, you'll notice that there's a game-breaking glitch somewhere in the game that's causing a big mess to the fight scene. Watch out for it. STORY The story of BatBoy is about a young boy who has to protect a beautiful cat from an evil villain. He's been on a quest to put his childhood friends from his neighborhood back in their world. Every world he travels to
